The experience of surrender for women in non-metastatic breast cancer undergoing a Psycho-Spiritual Integration Transformation (PSIT) intervention
- Ross, Nicholas Anthony (1999)
Children living with the death of a parent: an exploration of bereaved children's experiences and perceptions of support and connection
- Rossie, Karen M. (2002)
Songs on the mind as messages from the unconscious
- Rothenberg, Donald Ellis (1987)
Transpersonal aspects of video in art and therapy
- Ruttenberg, Brenda Haber (2000)
The role of paranormal experiences in healing, growth, and transformation: a study in clinical parapsychology
- Ruzek, Nicole Amity (2004)
Transpersonal Psychology's historical relationship to mainstream American psychology
- Sabzaali, Jamal Saira (2007)
Leaving my mother's house: Kjoha Ismaili women and university

- Sachs, Barbara Sue (1987)
The training of a transpersonal therapist
- Sackett, Brian E. (1998)
Connected responses: non-dissociated responses to emotional pain
- Safken, Annick (1998)
Sufi stories as vehicles for self-development: exploration, using in-depth interviews, of the self-perceived effects of the study of Sufi stories
- Saft, Kimberley (2007)
An exploratory study: transpersonal experiences and empowerment
- Sarmiento, Fernando A. (1984)
Bringing the spirit back to work: a transpersonal approach to organizational development
- Saunders, Lyn A. (2004)
Past-life recall: a phenomenological investigation of facilitated and nonfacilitated recall experiences and their contributions to psychospiritual development
- Schellenberg, Jean Agnes (1997)
Transpersonal experiences and practices of women who are healing childhood sexual abuse
- Schlarb, Craig W. (2004)
The nature of childhood peak experiences and their nonassimilation into the developing identity: a heuristic inquiry
- Schopfer, Carol Lynn (2010)
The power of reflection: an analysis of the relationship between nondualism and manifest reality in the written work of Swami Shantananda
- Schwedner, Diane Therese (2003)
Messengers from the soul: women's shoes as instruments of psychological and spiritual growth
- Scull, Charles C. (1989)
Existential themes in interviews with Vietnam veterans
- Sears, Jerre J. (1999)
The experience of men in the second half of life having an awareness of deep change coupled with a significant dream
- Secura, Rajaishvar A. (1984)
Dances of universal peace: a transpersonal practice in the Sufi tradition
- Seeley, Robin (2000)

Sacred callings: the process of moving into vocation at midlife as seen through story and reflection in a council of nine women

Sehrbrock, Joachim (2007)

A comparison of treatment planning conducted by integrally informed and non-integrally informed psychotherapists

Sell, Ingrid (2000)

Third gender: a qualitative study of the experience of individuals who identify as being neither man nor woman

Shepperd, Alexis Eileen (2006)

The experience of being deeply moved: an intuitive inquiry

Shertock, Tania (1994)

An existential-phenomenological study of woman's experience of feeling able to move toward and accomplish a meaningful and challenging goal in a Latin American cultural context

Siegel, Irene Robin (2011)

Exploring the therapist as a container for spiritual resonance and the observed impact on client transformation: A heuristic study

Shields, Lisa (1995)

The experience of beauty, body image and the feminine in three generations of mothers and daughters

Sholem, Jane (1999)

Listening to the labyrinth: an organic and intuitive inquiry

Sidle, Leslie (1997)

Happily ever after - again: love relationships of divorced women at midlife

Simpson, Virginia A. (1992)

A study of the relationship between psychosocial variables and long-term adaptation of bereaved parents

Slakey, Douglas Michael (2007)

Mirror gazing imagery and meaning

Smith, Marita Catharine (Maggie) (1998)

Journeying home as partners: successful long-term marriages of partners in alcoholism recovery

Smith, William Michael (1988)

A comparison of the breathwork approaches of Stan Grof and Gay Hendricks

Snider, Gheri Terezias (1995)

The identification and comparison of self-esteem profiles for a select group of registered staff nurses, nurse managers, associate degree nursing faculty, and nursing students

Song, Yungsook (2008)

Exploring the spiritual development model of Mahayana Seon (Zen) practice from the perspective of transpersonal development and healing

Sowerby, David Francis (2001)

The light of inner guidance: a heuristic study of the recognition and interpretation of intuition

Spencer, James L. (1987)

A new model for psychotherapy based on the seven-chakra system of Tantric Yoga

Spencer, Linda Bushell (1995)

The transpersonal and healing dimensions of painting: life reviews of ten artists who have experienced trauma

Spurr, John L. (1989)

Co-dependence: a process-oriented developmental approach

Stefik, Barbara S. (2000)

An exploratory study of the effects of practicing Tibetan dream yoga four foundations on waking life awareness and dreams

Steigman, Ivana (2007)

"Journey into the numinous": a grounded theory exploration of the stages and meaning of death awareness development

Stein, Elizabeth A. (1996)

The effects of a sustained mandala making practice on the self-schema of middle school students

Steinbach Humphrey, Sandra (2004)

Body/mind/spirit integration and healing Hepatitis C: is spiritual integration a factor in treatment choice and efficacy?

Stephan, Barbara Beard (2004)

Synesthesia and dyslexia: implications for increased understanding

Stitz, Jenny (2004)

Intimacy and differentiation in couples at postconventional levels of ego development

Stovich, Raymond J. (1983)

Puer and senex in senescence: an archetypal/transpersonal inquiry in gerontology

Strachan, Alan James (1992)

The dreaming body: a case study of the relationship between chronic body symptoms and childhood dreams according to process-oriented psychology

Sulmeyer, Stephen Harris (2001)

The meaning of meaning: a phenomenological and transpersonal inquiry into what really matters

Sungy, Charmaine C. (2001)

Shamanic journey access to others' incubated dream content: participant characteristics associated with recognition of the target, and paired narrative thematic overlap in imagery and symbolism

Tajiri, Takanari (2009)

The effects of the mirror in the psychomanteum process on thoughts, emotions, self efficacy, consciousness, and creativity for finding solutions to ordinary life issues

Taylor, Nora (1996)

Women's experience of the descent into the underworld: the path of Inanna: a feminist and heuristic inquiry

Taylor, Rosemary Elaine (2003)

A heuristic study of the experiential, transformative process of long-term panic attacks and associated altered states of consciousness: toward a transpersonal perspective

Tener, Barbara J. (1984)

Transpersonal treatment program for bulimics: preliminary results

Topp, Elizabeth Margretha (2006)

Presence-based coaching: the practice of presence in relation to goal-directed activity

Trakhtenberg, Ephraim C. (2007)

Self-Perceived Quality of Life Scale: theoretical framework and development

Trudeau, Candice (1993)

A comparison of psychotherapists and financial consultants in their assessment and treatment of financial conflicts

Trudeau, John R. (1998)

The attention factor: a single photon emission tomography study of brain activity related to focused attention

Tsadeek, Ayelet (2006)

A subjective exploration of the value of resistance and its multidimensional and holistic nature: a humanistic-existential and transpersonal investigation

Umlauf, Barbara C. (1984)

The use of story as metaphor in transpersonal psychotherapy

- Unthank, Katherine W. (2007)
"Shame on you": exploring the deep structure of posttrauma survival
- Upton, James Morgan (1998)
Measures of personality and transpersonality: correlations between the "Big Five" factors of the NEO PI-R and five transpersonal inventories
- Van Deventer, Danielle W. (2005)
Transformational volunteerism: exploring service as an integral component of transpersonal psychology
- Van Ness, John H. (1986)
Spiritual aspects of men's midlife career change
- Veltrop, Marilyn R. (1999)
Business leaders in transition: an organic inquiry into eight transformational journeys
